News Auctions Movie Passes This Week

If you like the movies, or if you have sons or daughters who do, here's your chance to attend every movie shown at the Antioch Theatre for the next year at an admission price set by yourself.

This week the ANTIOCH NEWS is auctioning off two season passes to the Antioch Theatre. The tickets will go to the highest bidder at the price he names.

No retail price is set on these tickets. How many times in a year would you attend the movies if you had a season's pass? That's what they're worth to you. Deduct enough to make it a bargain in your eyes and there's your bid.

The auction starts with the publication of this paper and ends at midnight next Wednesday. Rules of the auction, and an entry blank, can be found elsewhere in this paper.

GOPs Caucus In Feb. for Spring Slate

Republican committeemen of Antioch Township voted at a meeting held Jan. 2 to petition the board of auditors for the caucus to select candidates for township offices for the April elections.

The caucus will be held February 5. There are apparently at least three hopefuls who would like to get the nod from GOP committeemen to run for Road Commissioner on the Republican slate—Gil Meisgeier, Richard Waters and Blaine Ring.

To date, the Democratic party has made no move to present party candidates for the township offices which have been non-partisan.

Murrie & Ring File For Township Office

Two candidates for township offices have filed nomination papers with Township Clerk Lowellyn Van Patten since Monday. They are Lloyd Murrie, running for reelection as town supervisor, and Blaine Ring, candidate for road commissioner.

Candidates have until February 11 to file for township offices.

Candidates may run on either a partisan or non-partisan ticket. The Republican party has announced its intention of running a candidate but has not yet announced its choice for either post.

Candidates for township offices have always previously run independently.

Soo Line Quits Grand Central

The Soo Line will discontinue the use of the Grand Central Passenger Station as of January 13.

Effective on Jan. 13, the Soo Line passenger trains No. 3 and No. 4 "Laker" will operate to and from the Illinois Central station at 12th St. and South Michigan Ave. in Chicago instead of the Grand Central Station.

Trains will no longer operate through Forest Park, with the new order. The last Soo Line train to operate through the Forest Park station will be train No. 3 on Friday, Jan. 12.

The last trains to use the Grand Central Station will be train No. 4, arriving at the station on Saturday, Jan. 12, and train No. 3 departing on Friday, Jan. 11.

The first Soo Line train to depart from the Illinois Central Station will be train No. 3 on Sunday, Jan. 13. The first Soo Line train to arrive at this station will be train No. 4 on Monday, Jan. 14.

The time that the trains arrive in Antioch will remain the same—No. 3 at 7:33 p.m. daily except Saturday and No. 4 at 8:02 a.m. daily except Sunday.

Girl Hurt In Crash

Sharon Zmuda of Route 3, Antioch, was taken to the Victory Memorial Hospital Monday, as a result of injuries received in an automobile accident on New Year's Day.

Sharon was riding in the car driven by Thomas Schwenn which was involved in a collision at Route 173 and Wilmet Road. The four young people, all students at St. Joseph's High School, were on their way home after to-bogganing.

Thomas Schwenn was involved in a serious condition in a Racine Hospital. His brother, Charles, is hospitalized, but less seriously injured. Miss Zmuda, her father said, is suffering from shock and a possible head injury.

Antioch Shows Business Rise

Statistics released today by G. J. Aubrecht, district manager of the Chicago office of Dun & Bradstreet, reflect the activity of the business population in Lake County during the past year. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for January, 1963 totaled 3818 manufacturers, wholesalers, and retailers in this area as compared to 3891 in January 1962.

Antioch is one of six Lake County communities which showed an increase in number of businesses operating on Jan. 1, 1963 as compared to Jan. 1, 1962, according to a Dun & Bradstreet report.

Nine Lake County communities showed a drop in businesses. This often reflects small businesses being squeezed out of operation by large chains and discount stores, a Dun & Bradstreet representative said.

Waukegan, Highland Park, Libertyville, Lake Forest, Round Lake, Grayslake, Fox Lake, Highland and Wauconda showed a decrease in the number of businesses operating. Antioch, Zion, North Chicago, Mundelein and Lake Zurich showed an increase. Antioch had a listing of 256 businesses in Dun & Bradstreet as of Jan. 1, 1963, compared to 252 as of Jan. 1, 1962.

The Dun & Bradstreet Reference Book lists all manufacturers, wholesalers, and retailers who seek or grant commercial credit. It does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers.

Aubrecht added that during the past year 1833 changes were made in the Dun &

Board O. K.'s Roller Rink but Rejects Apartment House

A couple of projects of interest to the younger set of the Village were presented to the Board for its approval at their regular meeting last Wednesday, Jan. 2.

Because the regular meeting night this month fell on New Year's Day, the meeting was re-scheduled for Wednesday night.

James A. Ferrier of Hilltop Road, Antioch, requested permission of the Board to open a roller skating rink in the building formerly occupied by the H & T Sewing Co. on Broadway. Fire Chief Edgar Simonsen said Mr. Ferrier was aware that a sprinkling system would have to be installed in the building to meet State fire regulations.

To install the sprinkling system, a water main will have to be installed crossing Broadway and connecting with the main there. The board gave its approval to the project, with the stipulation that the sprinkling system be installed, and that the surface of the street on Broadway be restored to its former condition after installation of the main. A six inch main is planned to service the sprinkling system.

The proposed schedule for the rink, according to Mr. Ferrier, would include roller skating from 7 p.m. to 10 p.m. on weekdays and Sundays, and from 7 to 11 p.m. on Saturdays. Matinees on Saturday are planned, and private parties on Monday. During the summer, Mr. Ferrier said, they hoped to be open for more daytime skating.

Thursday night dances are also tentatively included in the schedule.

Propose Mobile 15c Hamburger Vendor

Western Chuck Wagons, Inc., of Chicago, a subsidiary of the Dressler Ice Cream Co., asked permission of the Board to establish one of their chuck wagons in the Village, selling 15c hamburgers, french fries, milk shakes, etc. As the request was made by letter, and did not state whether the chuck wagon would be a stationary establishment, or a mobile vendor such as Good Humor wagons, the Board instructed Clerk Clarence Shullis to investigate the matter.

Report on Insurance Inspection

A report was given by

Charles Maplethorpe, Superintendent of the Sewer and Water Dept., on the inspection by representatives of the Illinois Inspection and Rating Bureau. Details of the inspection and report are given elsewhere in this issue.

Turn Down Proposed Apartments

Charles Cermak, representing builders who wished to erect an apartment building on North Main St., was formally refused permission to build on the proposed site.

Reasons for the refusal were given by Dave Nissen, chairman of the zoning committee as (1) not enough land left on each side of the building; (2) the number of apartments planned, conforming legally but "it seemed like a monster, at that end of

town" and (3) opposition of neighboring property owners. Mr. Cermak suggested an alternate site at the northeast corner of Route 173 and Tiffany Road, across from Lorenz's Smart Country House. The property includes about one acre of land. The number of apartments built would be less than the 36 originally planned for.

A board member presented the request of Mr. Stahmer for a permit to build a garage on his property. Permission was granted contingent on the receipt by the board of a letter from neighbors stating that they had no objection to erection of the garage.

New Car for Police Dept.

Ray Toft and Edgar Simonsen said that the Chevrolet squad car being used by the Police Dept. needed repairs or replacement. The board voted to advertise for bids on a new squad car. The bids are to be opened at the next regular board meeting on Feb. 5, at 8 p.m.

Edgar Simonsen reported that streets torn up by the wreck on the Soo Line railroad had been substantially repaired, but would require a thin coat of blacktop followed by a seal coat in the Spring. The Soo Line, he said, had agreed to reimburse the village for the expense of repair.

Ernest Glenn and Dave Nissen reported that they had discussed with officials of Quaker Industries means of cutting down their water bill. Much of the water used by the company flows into Sequoit creek instead of being emptied into the sewer mains. It was called to their attention by a resident of the village that the water being emptied into Sequoit creek contains harmful ingredients. The Board suggested that the water be tested and further study of the problem made.

George Kennedy of Kennedy Construction Co. requested that he be paid a portion of the 10% of monies due him which is being held by the village board pending completion of the job and approval of the engineer.

**Infiltration Test Stymied
By Dry Weather**

Dave Miller, village engineer, asserted that he could not O. K. the job until an infiltration test could be performed on the sewers. He stated that such a test would not be accurate if taken when the ground was so dry. Mr. Kennedy, and several members of the board, felt it was unreasonable to hold the money until

Contract Let For Savings & Loan

Work on Site Starts Immediately

Dr. John C. Vermeren, President of the Antioch Savings & Loan, and Frederick J. Walpole, Executive President, Tuesday jointly announced the letting of the contract for the construction of the new building and shopping center.

The contract went to a local firm, M. W. Heath & Sons, at Broadway in Antioch. Work on the construction site was started within hours after the contract was awarded.

It is expected that the Savings & Loan building will be completed about July 1st. Other buildings in the complement should be completed by May 1st.

The joint announcement issued by Dr. Vermeren and Mr. Walpole said that "some of the tenants will include a Travel Agency, Barber Shop, Foot Specialist, Attorney, Doctors, Optometrist, Hearing Aid Center and a Small Loan Co."

The project will cost

around \$300,000.00. It will be of modern contemporary architecture, brick and glass construction. Architect is Andrew Kuby, Jr., of Woodstock, Ill.

There will be a canopied sidewalk, and a paved parking lot for 50 vehicles. Drive-in service will be available at the Savings & Loan building.

The Savings & Loan building will be approximately 8,000 square feet, with a large savings and loan area, private offices for the officers of the establishment and a director's and loan closing room.

The basement will house a community room with full kitchen facilities, suitable for lectures, movies, etc.

The building will be completely air-conditioned and will have piped music.

The accessory buildings will house approximately 5,400 square feet. The buildings on the north side will be glass front and back facing the parking area and the village parking lot.

The entire area will be illuminated with flood lights.

Dr. Vermeren and Mr. Walpole said, "We feel that this is a big step forward in building this type of complement and that it will be a great asset to the community."

Countdown Dods Speaker For County, At Men's Club Sixty-seven On Monday

Sixty-seven died in Lake County in 1962 as a result of auto accidents, according to figures released by the Lake County Safety Commission. This compares to 85 deaths in 1961.

Of the 67, 6 deaths were auto-pedestrian; 31 were auto-auto; 9 were non-collision; 14 were collision of an auto and a fixed object; 4 were auto-train and three were auto-bicycle.

Forty-two of those who died were Lake County residents; 25 were people from outside the county. Fourteen of the deaths occurred in urban areas and 53 in rural areas.

Forty-seven of those who died were male; 20 were female.

Friday is the most dangerous day of the week to travel, with 17 deaths occurring on this day. Saturday ran a close second, with fourteen deaths, and Sunday third, with 12. Tuesday is the safest day of the week, accounting for only four deaths.

The most dangerous time of day for driving is 3-6 p.m. Thirteen of the deaths occurred in this time period. 9-12 p.m. is next most dangerous, 9 a.m.-12 noon, and 6-9 p.m.-12 midnight.

"A huge success" was the phrase used by committee members in describing the Father and Son banquet held at the Antioch Methodist Church Monday evening. Sponsored by the Methodist Men's Club, the banquet is the second of its kind since the club's inception.

The affair was attended by an estimated 100 fathers and sons, who were served dinner by members of the Gertrude and Martha Women's Circles of the Methodist Church.

Highlight of the evening was a talk by Gilbert Dods, former track star and coach. Dods, holder of many track records and sometimes dubbed "The Flying Parson", spoke to the group on his experiences in athletics and coaching. Dods cited desire and honesty as two prime ingredients for success in life as well as competitive athletics.

Mr. Dods answered questions from the group following his talk. The committee in charge of the affair included Dr. James Kopriwa, Charles Watson and Albert Dittman.

Water System is Rated More Than Adequate

Expect Insurance Rates to Drop in Village

Charles Maplethorpe, Superintendent of the Sewer & Water Dept. of the Village of Antioch, gave a detailed report of the thorough inspection made by two representatives of the Illinois Inspection & Rating Bureau last month.

Conclusions reached, after inspection, according to Mr. Maplethorpe's report, are that the new water system gives Antioch "a system with reserve capacity so we are able to maintain adequate pressure and volume during periods of high flow and heavy usage and allows a more stable and economic operation of the wells and pumping facilities. It gives the water system more flexibility for emergency conditions and normal maintenance procedures and will reduce the possibility of interruptions to a minimum."

"To the fire dept., it means in the event of a major fire in the commercial sections, the water system will now support our 750 gpm (gal-

lons per minute), 500 gpm and 350 gpm pumps without leaving other areas without protection."

It is expected that the improvement in the water system will lower insurance rates.

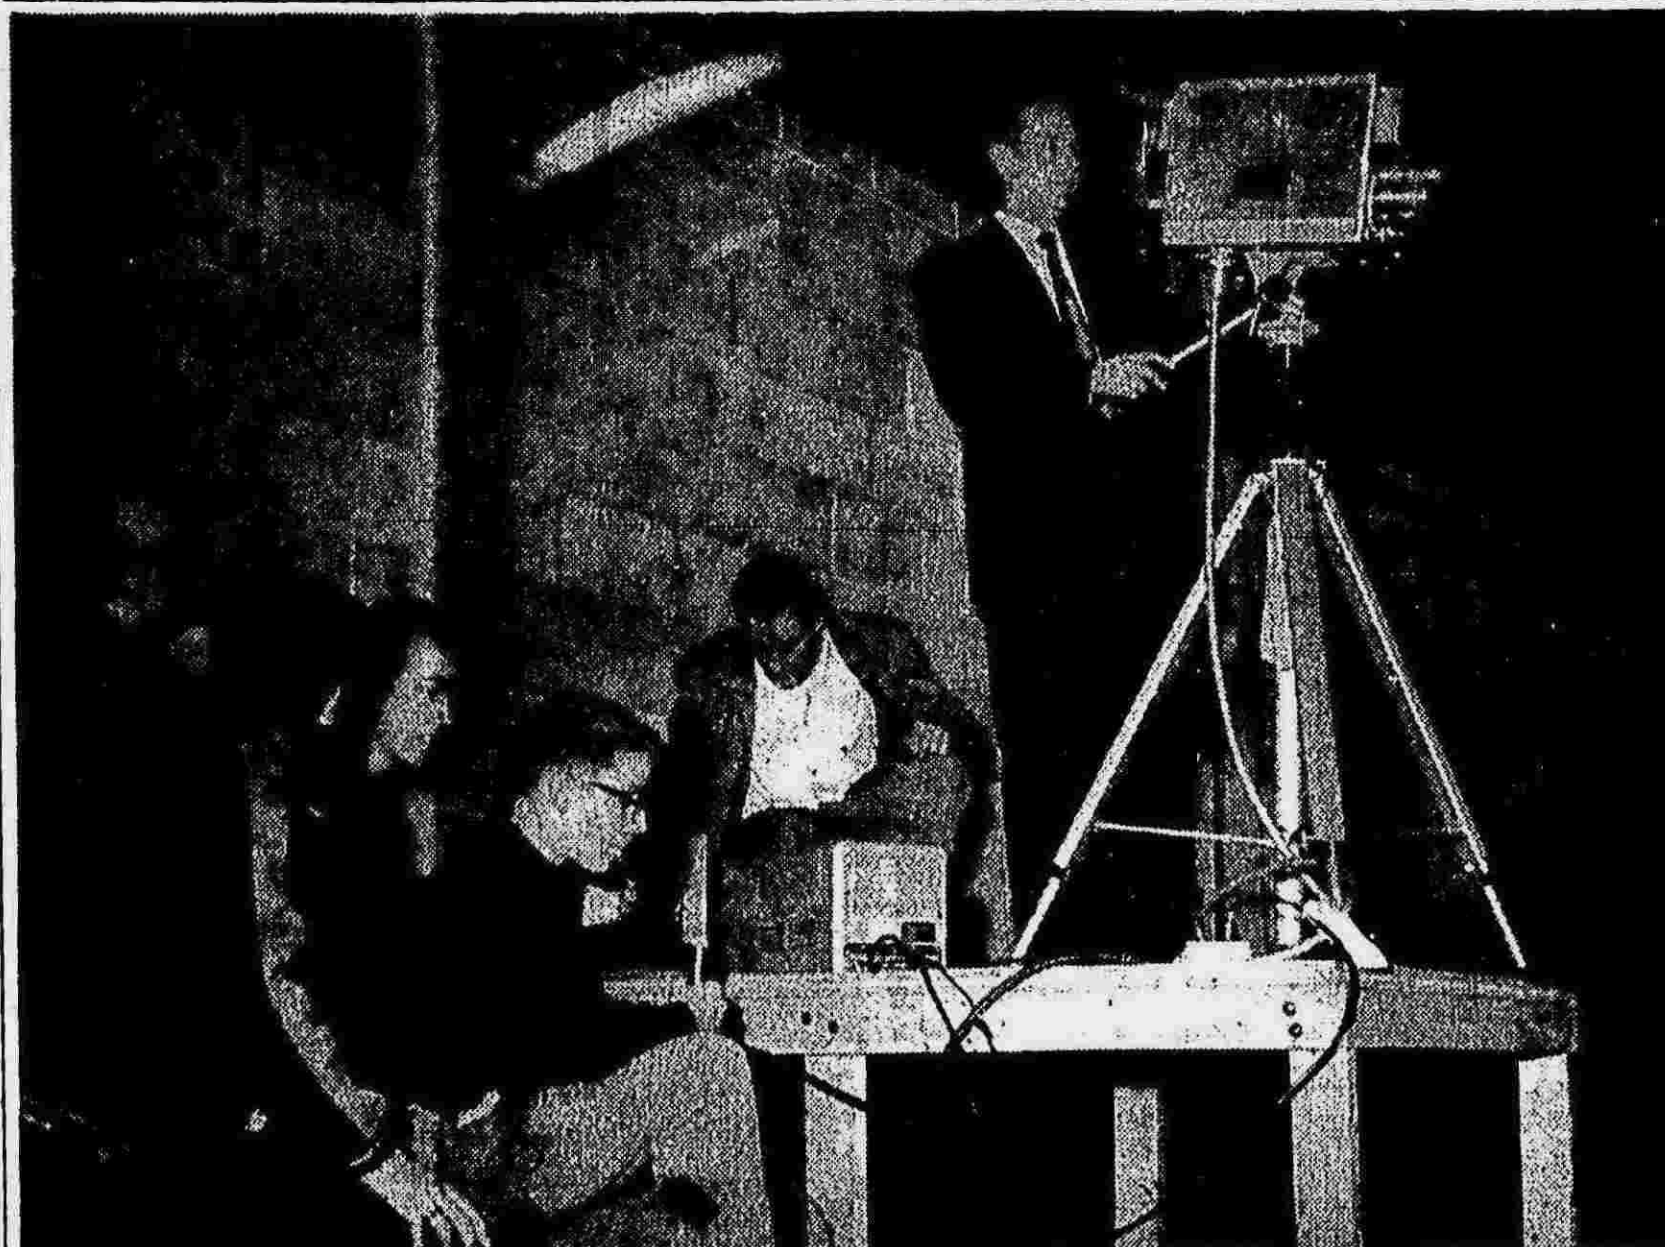

The detailed inspection started at the Antioch High School, which is rated dependent on water supply, then the business district for the change over from the present hydrants to steamer type hydrants. During the course of the two-day tour by the representatives of the Bureau, a complete inspection was made of pump-houses, water towers, new main installations, hydrant locations, types and spacings, new equipment, condition of existing facilities, changes made in Public Service electrical circuits, an exhaustive examination of all equipment and personnel of the Fire Dept., and all facilities and equipment connected with fire protection.

The fire flow tests con-

ducted on the water systems to determine the available water supply for fire fighting purposes showed an appreciable increase in available water in the Main St. business district, the Industrial section and at North Ave., but a drop in the mains servicing Orchard and David. This drop was attributed to the increased number of users since the last test in 1956. It is expected that the condition will be corrected when the eight inch connection on Broadway is finished.

Comparative flows indicated by the 1956 and 1962 tests are: Main St., 1100 gpm in 1956, 1800 gpm in 1962; Orchard & David, 675 in 1956, 610 in 1962; Main at High School, 710 in 1956, 720 in 1962; Ida and Anita Aves., 1500 in 1956, 3500 in 1962; and North Ave., 350 in 1956 and 2200 gpm in 1962.

Oakwood Knolls was not tested because it was judged unnecessary after testing North Ave.

JIM BUWALDA, TERRY DOWELL, Jim McCarthy and Rodney Patterson, students from the audio-visual aid club who helped Mr. Carrigan set up the audio equipment in the experiment with TV coverage of local basketball games. Checking monitor is Bill Schwidick

and at camera Chick Rothers of Industrial Television Service, Inc., who furnished video equipment and operated camera. Audio equipment was High School's and Jim Carrigan served as announcer.

TV Coverage Rated Success

Response to the experiment at Antioch High School last Friday in televising of the basketball games by closed circuit TV was generally good.

There have been overflow crowds at almost every game this year. The box office has had to turn away many who wanted to watch the game because there was no room in the gym.

With the closed circuit TV, people can watch the game on a monitor in the gym annex. Friday's game was the first try at this type of coverage.

Adults who watched the game on TV this week were asked to fill out questionnaires rating their reaction to the experiment. 36 rated the TV reception excellent, 39 good, 5 average and 2 fair.

Answering the question, "If you could not secure a seat in the gym, would you be willing to purchase a ticket at a reduced price to see the games on these monitoring screens?" 72 said Yes, 10 No.

Sharing?

Last week, at the Village Board meeting, Mayor Cunningham handed us a copy of a report concerning the inspection of the new water system, with the remark that he was furnishing us a copy so that we'd get it right.

The substance of the report is given elsewhere in this issue. We hope we made no errors. And we appreciate the Mayor's thoughtfulness. His solicitude is accepted in the same spirit in which it was given.

We've always felt that all matters pertaining to public affairs and the actions of public officials should be carefully reported, in detail, in the newspapers. Sometimes it's difficult for reporters to get information on certain matters. Sometimes the official who really knows what's going on is too busy to bother to furnish facts to inquiring reporters.

We're sure that the fact that this report is highly laudatory of the new water system had nothing to do with the Mayor's eagerness that we get the facts straight. We hope not. We feel that the newspapers, and through them the reading taxpayers, should be furnished correct and detailed information on all public business.

The burden of decision on public affairs is a heavy load to bear. We want to share, not just the Mayor's joy at good reports, but his sorrow when things don't work out quite as well.

Courthouse Notebook

BY LOU DURKIN

Gone but not forgotten is 1962, a banner year for political news and developments in the county building which could have a long reaching effect on Lake County in the years to come.

Probably the top news, politically, was the election of a U. S. Congressman from Lake County with the new title going to Lake Bluff's Robert McClory.

Cong. McClory had quite a battle on his hands with seven other candidates clamoring for the Republican nomination. Cong. McClory once more owes a big debt to McHenry and Boone counties since their votes put him over the top.

An eleven man race for the Republican nomination for State Representative produced some fireworks with the veteran, W. J. Murphy, of Antioch, winning as expected and John Conolly, of Gurnee, capturing the other seat.

The Democrats pulled a switch by running two candidates for the legislature, but the strategy produced little except perhaps a few extra Demo votes in November.

The 11th hour withdrawal of County Coroner Robert H. Babcox from the sheriff's race and the withdrawal of Harold Hapke from the county treasurer's race in favor of Karl Berning of Deerfield, came as surprises to most people and probably reduced the total GOP vote in the primary. This undoubtedly influenced the outcome of the Congressional race.

With Cong. McClory resigning as State Senator a special election loomed until both the Democrats and Republicans exhibited rare consideration for the general public by naming Republican Robert Coulson of Waukegan, and Democrat John Green, of Mundelein, as the party standard bearers for the post in Senatorial District conventions.

The old order changed among the Democrats when Bill Hartnett, a Grayslake attorney, won in a close battle over incumbent Ray Jadrach for the Democratic Central Committee chairmanship.

GOP Chairman Robert J. Milton was re-elected to the post after a rough intra-party squabble and immediately set about making some needed changes in the organization.

A long-discussed Lake County Republican Federation was established with a solid shoreline complexion and then surprised many critics by displaying interest in GOP activities beyond the station and national levels.

The wide open primary produced some new political faces such as Max Wildman, James Wetzel, Adm. Rick Haskins (whatever happened to him?) among Congressional candidates; Jim Olson and John Conolly in the legislative race.

And there were the familiar old faces, too, like Harry Kilbane and Doc Nordstrom.

There were departures from the county political scene, notably the promotion of Judge Bernard M. Decker to the Federal bench and the retirement of Deerfield Supervisor Emmett Moroney from the County Board.

Allen J. Nelson, the Probate Clerk for more than a decade, was another county official to turn in his key to the washroom.

The county went expensively modern by entering into an agreement to lease some electronic data processing equipment which led to the hiring of a \$9,000 a year supervisor and six new operators who so far have replaced one man in the County Treasurer's office.

The new County Public Works Department was finally established and will no doubt be in operation in 1963 despite opposition from Moroney's successor Supervisor Frank B. Peers.

Waukegan Supervisor August Copon, chairman of the County Public Building Commission, continued his fight for the new courthouse despite opposition from Peers and Waukegan Assistant Supervisor John Balen and the possibility looms stronger than ever that a start on the building will be made this year.

Yes, it was a big year, filled with those vital ingredients of news; names, places, and events.

Some of the headline events of 1962 have already faded from memory, but new headlines are waiting to take their places as 1963 begins its trek towards history.

Along The Way

Every time you pick up a paper these days the ads look something like this: "After Inventory Sale," "End of Season Sale," "Midwinter Sale," etc! Pages and pages of bargains confront you to entice Mr. and Mrs. Buyer to part with the few dollars they were able to salvage from their "Christmas generosity." A certain well known store in Waukegan has great appeal for all local ladies with their half-price sale. But two men's stores pulled the carpet out from under Mrs. Lake County Homemakers last week when they announced to Papa via the mail, that their sales (up to 50 off) would take place 3 and 4 days before the ladies' store! What a blow! This means the "Old Boy" will have first chance at that slightly weakened check-books. And who knows, gals, those deals may be so inviting that he'll save you more than the checkbook can afford! After all you never know when a fellow might need a full dress suit, and it's 50 off!

THE LATEST REPORT—

The business men of Antioch's ears should have been burning a little last week when a spokesman for a Waukegan men's store stated that they selected the new Fox Lake Shopping Center for their West L. C. store because it was the fastest growing business area in West Lake Co. . . . C'mon fellows, let's push for that "in town" shopping center lest the proposers get discouraged for lack of interest and backing and thus go elsewhere. . . . scuttlebutt has it that a large chain is pushing for a quick decision! . . . Jerry Stafton became a partner in Arnold's barber shop last week (couldn't resist calling your attention to the initials, JABS, Inc.). . . . at the same time a pro-partnership of long standing is about to do a humpty-dumpty! . . . If you have been a recipient of some of those mysterious late-at-night phone calls, be sure to report it to the phone Co. and the local Gendarmes, quick! . . . a word to those phantom callers. There is a stiff fine and a jail sentence for anyone found making nuisance calls.

IN THE SPOTLIGHT: —was A.T.H.S. alumni "Chie" Rothers, whose TV engineering achievements were displayed at his alma mater when he supervised that closed circuit TV experiment.

THE LAST DROP: If you think we're not busy in the News office, how do you think the patrolman was able to ticket Howard Shepard's car (parked right in front) without anyone seeing him (cept me)? . . . Marge and Chuck Anderson evened things up a little when their sixth was a beautiful baby girl. . . . Those First Nitters are at it again! A couple of ladies, namely Shirley Stanich and Fran LaPlant are planning another after theater party on the opening night of Mac Ryan's original musical produced by the Palette, Masque & Lyre on March 7th, phone them for further details.

And it's a brand new housewrecker wearing blue booties at the George Palaske's.

DID YOU HEAR —about the Chicago radio station who has a "Switcheroo" contest, you send them \$500.00 and they'll send you 25 words or less!

But I won't play.

Health Meeting In January

Illinois Health Improvement Association leaders from 90 counties which have County HIA's in Illinois will attend the 11th Annual meeting. This year's Annual Meeting will be held next week at the Hotel Abraham Lincoln in Springfield on January 17-18, according to an announcement made by John Rehkmper, president of the State Association.

"The theme of the Conference this year," Rehkmper explained, "will be Preventive Medicine versus Therapeutic Treatment. During the past year the various County HIA's throughout the state have entered actively into more programs and special activities than ever before. They are working shoulder to shoulder with health agencies and many are

giving special support to cancer, heart, and other special health drives. Several HIA's are conducting health educational programs dealing with the prevention of cancer, heart disease and mental health. A great many have participated in county fairs and have worked with school children and 4-H clubs."

Rep. Conolly Youngest in Lake County

John H. Conolly of Gurnee was sworn in today as State Representative for the 31st District in the General Assembly of Illinois. At the opening session of the 73rd General Assembly which was presided over by Secretary of State Charles Carpenter, Conolly became the youngest man in history to represent Lake County. Conolly, 27, was sworn in by a Justice of the Supreme Court.

As a new State Representative Conolly stated that he arrived in Springfield with no special bills to introduce. His intention is to view all legislation forthcoming in the best interest of the people of Lake County and the State of Illinois. He reiterated his hope that there would be no need for increased taxation in this session of the Legislature. Conolly also said, "This experience as State Representative, presented to me by the voters of Lake County, is indeed a great challenge. I certainly intend to do my utmost to fulfill the desires of my friends and neighbors."

Witnessing the swearing in ceremony of the new Representative were his parents, Mr. and Mrs. Robert C. Conolly of Gurnee.

Mr. Burrows studied safety engineering at the University of Louisville and used this training first as assistant safety director at Lordstown Ordnance Depot, Warren, O., and then as safety engineer in the Traffic and Motor Transportation Department of the National Safety Council. Your Governor Reports

by OTTO KERNER

The 73rd General Assembly of the State of Illinois convened today in the Capitol in Springfield to begin deliberations that affect the lives of more than 10 million persons.

State government exercises more control and direction over the daily lives of these people—you and me—than any other level of government.

The government of our state regulates, supports and sets standards for the education of our children; it sets standards for construction and it constructs highways and buildings. The state determines what is criminal action and maintains a police force to enforce various laws; it regulates a myriad of activities from hunting and fishing to barbering.

The state cares for the indigent and the infirm and mentally ill. It provides recreation areas. It licenses our doctors, dentists and nurses, and supervises operations of utilities and railroads, as well as performing a wealth of other functions.

In short, the government of Illinois guarantees the rights of its citizens and maintains public order to insure that these rights are not violated.

Each new General Assembly is charged with keeping Illinois moving forward. This charge, of course, is my charge also. The executive branch of government and the legislative branch are separate under our form of government to insure a division of powers inherent in freedom.

However, the goal of the governor and the legislature is a better Illinois. To this end each branch of government must work together. The people of the state have made us their representatives to guide and mold their government.

In this executive-legislative context, the governor stands alone as the representative of all the people and so I present a program to the assembly which I believe mirrors the wishes of the people.

The executive officer of government is the chief liaison between the people and the legislature. As one president of our country said, he is the only man who speaks for all the people.

My program, of which you will read and hear about, is fashioned for the good of all the people of the State of Illinois. I will exert all my energies to make it a reality and keep Illinois moving toward better tomorrows.

Letters to the Editor

January, 1963

Antioch News:

Thank you for the excellent news stories, features and photographs you carried in connection with The Salvation Army's activities in the greater Chicago area, at Christmas and throughout the year 1962.

You have helped us present a fresher, broader, more vital view of The Salvation Army's comprehensive religious and social welfare programs. In so doing you have performed an important service for the Army and, we believe, for the community.

I appreciate your cooperation. May your newspaper in 1963 enjoy the success so merited by its editorial excellence and genuine concern for the civic good.

Sincerely,
Henry S. Distelhorst

Cancer Society Names Director

A new executive director, Tom Baab, has been named to head the American Cancer Society, Illinois Division, Inc., according to an announcement today by Charles A. Wilcox, chairman of the Lake County Chapter.

Mr. Wilcox explains that Mr. Baab succeeds John A. Rogers, M. D., who has retired after 16 years as head of the division.

Mr. Wilcox, chairman, said that the Lake County Chapter had played an important part in furthering the fight against cancer in Illinois, not only through its participation in the April Cancer Crusade but also with its vigorous local programs of education and service. Leaders of the program in Lake County Chapter this year are: Mrs. Ralph C. Areher of Mundelein, Chairman Education Committee; Mrs. Paul D. Shipley of Lake Forest, Chairman Service Committee; Mrs. Karl Berning of Deerfield, Chairman Transportation; Dr. A. H. Sommers of Lake Forest, Crusade Chairman; and William B. Ahart of Waukegan, co-chairman.

MY OLE GRANDPAPPY USED TO SAY!

By the Rev. Fr. Edmund E. Hood

If some Christians would devote about half the time that they expend in trying to achieve status and acceptance into "Society," toward the elimination of Sin, the Devil would soon be walking on crutches!

Many people will work like beavers in the church when they can do it where everybody will see them.

The man that doesn't care what the people think of him, is apt to be the man the people don't care to think about.

The Devil doesn't care a whit about who does the preaching, so long as his plans are adopted for raising the money to run the church!

Aliens Must Register

John M. Lehmann, District Director of the Immigration and Naturalization Service, advised today that the annual alien address report program is again under way.

He pointed out that the address reports are required by law and willful failure to comply with these requirements may lead to serious consequences.

Forms with which to make the reports are available at all Post Offices and Immigration Offices. It is an easy matter to fill out one of the cards and return it to the same office.

Mr. Lehmann added that trained personnel will

Lake Forest, Grant, & Warren Win in Cage Contests Friday

Lake Forest retained a firm grip on first place in the Northwest Suburban Conference by beating Wauconda Friday night on the losers' court.

An aggressive man-to-man defense that held high scoring Mike Freund to 10 points was a key factor in the victory. The Scouts' big boy, Craig Spitzer, got rid of the flu bug enough to allow him 27 rebounds while scoring 27 points for the fast moving Scouts.

The Scouts led by 3 points at the first quarter mark and steadily increased their lead

throughout the contest. Lake Forest guard, Steve Ekdahl, added 22 points to his team's cause and put out a good defensive effort.

Speed Helps Grant

Grant put on a full court press early in their game against the rangy Grayslake Rams and topped the taller squad 71 to 60 at Grayslake. The victory put Grant into sole possession of second place, one game behind league leading Lake Forest.

The Bulldogs overcame an early 7 to 3 deficit to end the quarter leading 23 to 14. Their lead was never threat-

ened after that. They led 42 to 27 at the half and 55 to 44 going into the final quarter.

Joe Savage led the scoring for the victors with 18 followed by Dick Kazlauskis, Ron Taylor and Tim Jackson with 15, 13 and 11 respectively.

Warren Stronger

Mike Galgan's Warren Blue Devils moved into a tie for third place Friday by whipping an up and down Round Lake squad 67 to 58 at Round Lake. Warren shares their conference standing with Antioch and Wauconda.

Warren took command early in the opening quarter to lead 14 to 6 and stretched it to 29 to 16 at Halftime. The Blue Devils out-pointed their foes 24 to 18 in the third period and entered the final stanza leading 53 to 34.

The Panthers staged a last quarter rally and poured in 24 points to the victors' 14 to whittle the victory margin to 9 points. Round Lake's Bob Miller topped all scorers for the game with 22 counters while John McClure and Tom Johnson cashed 16 and 17 points respectively for Warren.

Slate Tests

Father David Murphy, O. Carm., and Sister Mary Cecil, B.V.M., respective principals of Carmel High School for Boys and Girls have announced that on Saturday, Jan. 12, at 10 a.m., a placement test will be administered to all prospective students who intend to enroll at Carmel. The time of the test is approximately 3 1/2 hours, so it should be terminated about 1:30 p.m. The boys' test will be administered at Carmel High School and that for the girls at Santa Maria del Popolo in Mundelein, Ill., (116 N. Lake St.).

All students, boys and girls, taking the test will be picked up at their respective parish schools on the morning of January 12, and returned there upon completion of tests. The exact time of pick up will be announced later.

DEATH NOTICES

HERBERT MESSNER

Herbert Messner of Millburn passed away at 8:45 a.m. in Condell Memorial Hospital at Libertyville on Monday, Jan. 7, at the age of 63 years. He had been ill since March 1962. He was born Sept. 28, 1909, in Chicago where he resided until moving to Millburn 17 years ago. He married Ida Lotz in August, 1928, in Chicago. He was a member of the Millburn Congregational Church and the Amalgamated Meat Cutters Union in Waukegan. Mr. Messner was a retired meat cutter by occupation. Survivors are his wife, Ida; two sons, Herbert C. Messner, Druce Lake near Grayslake, and Walter O. Messner, Trevor, Wis.; one daughter, Mrs. George (Anita) Butler, Millburn; one brother, Carl Messner, Chicago; one sister, Mrs. Eugene (Ruth) Hertling, Chicago, and six grandchildren.

Funeral services were held at 1:30 p.m. Wednesday, at the Strang Funeral Home in Antioch, with the Rev. L. H. Messersmith of the Millburn Congregational Church officiating. Interment was in Millburn Cemetery. Friends called at the funeral home after 2 p.m. Tuesday.

GRACE L. GRIFFIN

Mrs. Grace L. Griffin of Salem, Wis., passed away at 6:30 a.m. on Tuesday, Jan. 8, in a Zion nursing home at the age of 74 years, after an extended illness. She was born July 8, 1888 in Volo, Ill., then attended schools in Antioch before moving to Salem 45 years ago. Mrs. Griffin held membership in the Holy Name Church at Wilmet. She and her husband had operated a farm on Hwy. 83 for many years before his retirement.

She was preceded in death by her husband, William M. Griffin on October 2, 1962, one son, Glenn, two brothers, Louis and Elmer Guldige, and two sisters, Mrs. Clara Gurstengurke and Mrs. Bessie McCalister.

Survivors are two sons, Willis Griffin, Boulder, Colo., and Raymond Griffin, Kenosha and one daughter, Mrs. Marguerite Glynn, Phoenix, Ariz.; two sisters, Mrs. Elvia Pennington, Detroit, Mich., and Mrs. Ruby Faulkner, Gurnee, Ill., and 11 grandchildren.

Friends may call at the Strang Funeral Home after 2 p.m. on Thursday. Services will be held at 9:15 from the funeral home on Friday and a Requiem Mass will be at 10 a.m. Friday in Holy Name Church at Wilmet. Interment will be at St. James Cemetery in Kenosha. A Rosary will be recited at 7:30 p.m. Thursday at the funeral home.

Annual Dinner Slated For Mental Health Soc.

Reservations should be made immediately for the Tenth Annual meeting and dinner of the Lake County Mental Health Society, to be held Tuesday, Jan. 15, at 6:30 p.m. in the auditorium of Building 4, Downey Veterans Administration Hospital. Tickets for the meeting and dinner are \$5, which includes Society membership for 1963. They may be obtained from Mrs. W. C. Petty, 395-0470, or by calling the Mental Health Society office, MA 3-4134.

Following a brief business meeting and the presentation of mental health awards to citizens from several Lake County areas, one of America's foremost authorities on mental health will address the Society.

He is Dr. Jack R. Ewalt, professor of psychiatry at Harvard Medical School, former commissioner of the department of mental health in Boston, and director of the Joint Commission on Mental Illness and Health. The Commission's recently published report of its five-year study, "Action for Mental Health," has become the national blueprint for combating mental illness.

Dr. Ewalt's subject, "Aspects of Community Mental Health," is particularly timely in view of the steadily increasing community services offered by the Lake County Mental Health Clinic, located at 32 N. Utica St., Waukegan.

Dinner will be served in the personnel dining room at Downey. The Lake County Mental Health Society is holding its annual meeting at the VA hospital for the third consecutive year at the invitation of Dr. W. W. Burke, hospital director and member of the Society's board of directors and of the Clinic management committee.

Consumers Cut Spending

CHICAGO AREA RETAIL MARKETS FOR JAN. 7-12

CHICAGO—Consumers apparently made one new year resolution in unison, to cut back spending from holiday levels, and the first to feel the pinch is the well-supplied food retailer. They're all wondering where the consumer went.

General competitive retail prices are unchanged. But to stimulate traffic, merchandisers have pegged value selections widely across most staple lines, at bargain prices to fit any purse.

The University of Illinois consumer service lists these bargain buy items for the marketing week ending Jan. 12:

Meats—Pork loin roasts and chops, spareribs, steaks, bacon, lamb leg roasts, beef chuck and rump roasts,

round steak, ground beef, poultry — fryers, Produce — lettuce, tomatoes, carrots, celery, potatoes, Emperor bananas, avocados, apples.

Gas makes it easy to heat any extra room economically

Choose from these modern gas room-heaters for the fast, dependable heat you need in that extra room. All are handsome and compact... require no chimney... use no room oxygen (air is drawn in from outdoors into sealed combustion chamber). Ideal for attics, breezeways, closed-in porches, garages, bathrooms and sleeping rooms. All operate with typical gas economy.

1. Suburban Novent installs in window or wall. Completely automatic with built-in forced warm air circulation system.
2. Stewart-Warner Saf-Aire can be recessed in either masonry or frame walls. Operates as a self-contained unit; won't affect other heaters.

3. Peerless Uni-Matic can be used on any outside wall. Can be located beneath most windows to provide free arrangement of furniture.

4. Iron Fireman Chill-Chaser is a hot water room heater with compact built-in pump. Excellent for any hard-to-heat area—requires no vent.

5. Temco is ideal for heating large areas. Unit rests on floor and fastens to wall with two screws. Also may be used for summer ventilation.

6. Siegler (not illustrated)—is a compact, horizontal baseboard heater with a built-in look that blends well in any room or with any decorating style. Wall thermostat is self-energizing.

For the right gas room-heater for your needs, see your local heating contractor or stop at your Northern Illinois Gas Company store.

Dance Draws Crowd

The Grand Opening dance at the St. Peter's Social Center on Dec. 29 drew a crowd of about 500 people.

Proceeds from the dance will go to help pay for the special floor at the Center, which is suitable for roller skating, basketball, dancing and many other activities.

During the evening, the men of the parish presented to Father Henderson an oil painting of himself. The portrait will hang in the Social Center.

A schedule of activities at the Social Center will soon be made public. The center is open to the youth of all denominations.

Mrs. Irving Buchta will present the main lesson for the evening which will be "Why Eggs Behave As They Do".

Mrs. John Horan will serve as co-hostess for the evening and members are asked to bring their favorite cake recipe for the cookbook, which is being assembled.

Library Notes

NEW BOOKS

The book "North American Trees," by Richard Preston was given to the library by Mr. and Mrs. George Vistain and family in memory of Mr. William J. Pech. It has full page illustrations and good descriptions for identifying 558 species of North American trees.

"Conflict" by Robert Leckie is a history of the Korean War. It is well documented—the first full-scale account of the war in all its military, political and human aspects.

"Building or Buying the High-Quality House at the Lowest Cost," by Arthur M. Watkins. A handbook for prospective home buyers, which answers every question which might arise. This will enable them to achieve the greatest possible satisfaction from their investment.

"Land Where Our Fathers Died," by Marion L. Starkey. This gives the settling of the Eastern Shores: 1607-1735 and is one of the Mainstreams of American Series.

"Along the Way," by Preston Bradley—an autobiography. An intimate and revealing narrative of the making of a minister whose parish is the world of people united in faith in God.

"The Red, Red Roadster," by Gene Olson. "The school board saw red when Miss Barbory fell for an Alfa Romeo, but the students at Linda Vista High School voted her the teacher most likely to succeed."

"Red Dog Center," by Joe Archibald. A football story which shows how the strange power of group spirit can carry a man beyond personal ambition in spite of himself.

"Power," by Howard Fast. This combines a portrait of Ben Holt with an account of the formation of the coal miners union in the 1920's and 1930's.

"Tales for a Rainy Night," edited by David Alexander. A mystery writers of American anthology.

"Sports Cars in Color," by Ronald Barker. Here is a good one for all sports car fans.

El-Mar League Thursday, Jan. 3

El-Mar went on a strike spilling spree, banging out high series and game for the evening, 2853-1038, and a three-game sweep over Charlie's Channel Inn. Chuck Waters led the squad with 631, ably supported by E. Barnes 595, R. Morton 501 and R. Kruse, 550. The New Year broke the losing spell of the El-Mar quintet.

Pete Lehmann posted a 507 and led the Knapp Shoe team to a 2 & 1 verdict over Haydon Homes (W. Streckfuss 557).

Dennis Dewar, of the Dalgard's IGA squad, slammed a 553 good for a two game decision over Dortmund (Bill Hagstrom 597).

Slide Inn, led by Mac McNiff's big 581 and teammate Phil Burgdorf's 556 grabbed a pair from Gibbs & Jensen.

The front running Colonial team dropped two games to Rudolph Turkey Farm and yielded first place to Roepenack Masonry by one game. George Rudolph has a 598 slam for his team, while Wayne Helwig rolled 592 for Colonial. The Colonial quintet is bowling with a handicap, as their anchor man, Ed Slavik, is temporarily sidelined with a broken rib. Joe Martinucci, runner up for

Sequoits Trounce Ela; Win 4 in Row

Sophs Chalk Up Another Victory

The Antioch Sequoits fought off a late fourth quarter rally by Ela-Vernon at Antioch High School Friday night and registered their 4th consecutive victory. The 78 to 68 win marked the Sequoits' second in conference play against two defeats.

The Sequoits took command early in the game and raced to a 21 to 8 lead at the first quarter mark. Antioch was never headed after that and rested on a 39 to 28 bulge at halftime and stretched it to 50 to 40 going into the final stanza.

Ela-Vernon's Bears went into a full court press with approximately 6 minutes left in the period. Coach Roger Andrews because of a 19 point lead, elected to let his team try and work out the defense for themselves.

The Bears managed to rally to within 8 points before the Sequoits found the answer. Leading 74 to 66 with 1:46 left in the game, the Antioch quintet, minus their two big boys, Doug Lang and John Hallwas, took command again and went on to win 78 to 68.

The Sequoits had a good night from the field, hitting for 30 baskets with a 48% shooting percentage. Tops in scoring was Bob Kubicki with 26 points on 11 baskets and 4 free throws.

Other Sequoits in double figures were Doug Lang with 16 points and John Lear with 12. High scorer for Ela-Vernon was Ken Grzeskowiak with 20 points, 13 of them in the fourth quarter.

Doug Lang topped the rebounding chart again with 16 followed by John Hallwas with 9. High scorer Bob Kubicki showed strong improvement in this category by picking off 8 rebounds. Antioch had virtually complete control of the boards as they out-rebounded their opponents 45 to 22.

Antioch plays two games this weekend as they journey to Round Lake Friday for a conference tilt with the Panthers and then to North Chicago Saturday for a non-conference game with the Hawks. Antioch's next home game will be Saturday, January 19, against Grayslake.

The Soph squad made the evening a complete success by soundly trouncing the Ela-Vernon juniors 53 to 35.

Mat Men Defeat Ela

Antioch's wrestling fans saw their boys score a decisive win over Ela-Vernon, 42 points to 5, last Friday night at Ela-Vernon.

Pins were scored by Antioch's Ray Sheppard, Ralph Gaston and John Burke. Jerry Bergh, Brad Brenna, Rick Prossie, John Sebesta, and Rick Fowles all outpointed their adversaries. Dave Miller scored a tie with Ela's Doug Farr, while Dave White and Lon Ipsen won by a forfeit.

The only Ela-Vernon wrestler to win his match was Lance Smith, defeating Antioch's John Ksiosz.

Antioch's Sophomore squad scored an even more decisive win, outpointing their opponents 48 to 8. Pins were scored by Antioch's Terry Harrison, Jim Sheppard, Ron Holstrom, Louis Megle, Tony Urban and Stan Revell. Ela's McDonald pinned Antioch's Rhodes.

Chuck Weber outpointed his Ela opponent, and Doug Hellstern, John Sheppard, and Paul Lindblad won by forfeit. Ela's Kappe outpointed Ken White.

Antioch's wrestling team lost a close one to Wauconda, outpointed 27-19.

Pins were scored by Antioch's Rick Fowles, and by Wauconda's Don Gray. Ray Sheppard, Dave Miller, Ralph Gaston and Lon Ipsen won their matches, and John Burke scored a tie with his opponent, Jerry Bergh. John Ksiosz, Ray Miller, Rick Prossie, Dave White and John Sebesta lost their matches.

The Antioch Sophs reversed the results, beating Wauconda's junior team by 27-17. Pins were scored by Antioch's Louis Megle, Paul Lindblad and Tony Urban. Jim Sheppard, John Sheppard, Ken White and Pete Cochran outpointed their opponents. Doug Hellstern, Jerry Harrison, Chuck Weber, Ron Holstrom and Stan Revell were defeated by their Wauconda counterparts.

Between Rounds
"Don't be so nervous," advised the fight manager, cheerily. "Remember, if he was any good he wouldn't be fighting you."

Antioch's wrestlers have made an excellent record in the Northwest Suburban standings as of Dec. 19.

In the team standings, Antioch is tied for second with Lake Forest with Wauconda leading.

Individual standings of the boys, in the twelve weight classes listed, show Antioch wrestlers J. Burke and R. Gaston taking first place in their respective weights. Both boys are battling 1000—or would you say grappling 1000?—with Gaston winning four matches and losing none in the 145 lb. class, and J. Burke winning 5 and no

losses in the 165 lb. class. Lon Ipsen runs a close second to M. Strom of Grant in the heavyweight class. Strom shows 1000% scoring with only one match, which he won, and no losses. Ipsen rates 900% with four wins and one tie. Second in the 112 lb. class is R. Sheppard, 800%, with four wins and one loss. He is topped in his class by J. Grady of Grayslake, with four wins and no losses. However, Sheppard, like Ipsen, has wrestled more matches than the Grayslake boy.

In third place in the 120 lb. class is Antioch's D. Miller, with 4 wins and one loss;

WHY THAT CHEERFUL LOOK?
THIS ISN'T PAY DAY

It looks like—a sensitive nerve was pinched in last week's report about a certain coon hunt which produced only one animal. At any rate, an anonymous group went back to the scene Saturday night, to prove a point, and this time the score was two coons bagged and four run into the ground like taking refuge in a tile or den hole. One of the coons was a smart old grandpappy and before he gave up the ghost caused quite a ruckus by first tripping, then biting one of the hunters (name not known) on the leg and then clamping down on the schnoz of one of the hounds. . . . There was a pinwheel of man, dog and coon, and for a while it looked like Joe Coon was gonna make it, but man's superior intellect won out in the "end." Okay, Jack Fields? I didn't mention any names like I said I wouldn't.

Stop clouding the issue with facts. What we want is alibis.

The hunting instinct in virtue man flows strong at this time of year, to wit: Charlie Bruns, Mike Gardino, Chucky (two-tone mink) Haling, and Petey Lehmann went

out after fox, the easy way. . . . They were using a seductive fox call. The foxes, being what they are, were not seducting this day, so they came up with a different gimmick. Smoke! They fill his hole up with smoke — and out he comes, all done. Something like smoked carp, Fellas?

ICE FISHING REPORT—They're getting big crappies at night on Petite Lake in front of Ed Clemens' place. Perch and crappies are running on the south end of Channel Lake, at Charlie's place and near Stanley's. Bluegills are not doing much. Maybe they're saving themselves for the NCCC ice fishing derby, Sunday. Have you bought your ticket yet? Better hurry, they're selling like hot cakes and it might be a complete sellout (no fogging) and the tariff is just one buck.

Four Chicago firemen caught 38 jumbo perch in Haling's channel on Grass Lake. They were so big, Charlie called them walleye perch. Then, true to their calling, built a FIRE on the beach, cooked 'em and ate 'em, right there in the open. Brrrr! This is a shore lunch?

High Junior Bowlers

Some of the high scorers in the Junior Bowling League on Saturday were Bob Lenczewski, with a 574 series with games of 175-217-182; Ernie Westlund, with games of 181-198-175 (554) and Jerry Berke with a 502 series.

Ken Kasel rolled a 208 game and Ricky Ripley a 201 game.

FBI Director, J. Edgar Hoover says: "Mercy tempers justice in the American judicial system, but leniency was never intended to become a weapon for repeated offenders. Mercy can be hazardous and sympathy morbid when they are wasted on those who exploit them. Responsibility for the wave of lawlessness now sweeping the Nation and the continued existence of conditions in which crime and corruption flourish rests directly with the American people. The public by its submissive attitude and its lethargic acceptance of infractions of the law, has helped create an atmosphere conducive to the insidious growth of underworld activity."

wound up with the head of a twelve pound Northern. Who got the Neck? C'mon fellas! I won't talk.

MY HEART BLEEDS FOR YOU DEPT. . . . Those icicles hanging from Marion Tiderman's eyelashes were caused by the tears she's shedding over that big walleye she lost on Powers Lake the other day. The big ones always get away. That's why they're big.

Would you like a very good map of the Chain, for navigation or other purposes, for free? Just send a postcard to: State of Illinois, Division of Waterways, 201 W. Monroe St., Springfield, Ill., and request a map of the Fox Lake Chain of Lakes. Tell 'em Harry sent you.

GREAT THOUGHTS WHILE DREAMING DEPT. . . . This scientific age of ours has opened marvelous vistas and created wonderful opportunities for us. Like for instance, how those Bell Laboratory boys pulled that remote repair job on Telstar while it is spinning miles out in space. So now we're waiting for some enterprising guy to start up a new type television repair shop—that's right—he'll fix your TV set by remote control, from his shop. . . . Remember, I thought of it first.

Famous Last Words — As the wife brought the bashed car home—what are fenders for if you can't use them?

Officers of the Northern Illinois Conservation Club are hard at work getting everything set for the huge turnout they expect for the big ice-fishing derby at Channel Lake Sunday.

The south end of Channel Lake three miles west of Antioch on Highway 173, near Charlie's Channel Inn, is the site of the derby, this year as it was last year. Events start at 9 a.m. and end at 4 p.m. Tickets include free parking, which will be directed by a group of NCCC members. Coffee and refreshments are available.

In addition to the regular fishing contests, more than a score of special contests have been scheduled. They include skating races for children; hole chopping contests for men and women, with chisels and augers; fishing contests for men, women and children for the first fish caught in the freshly made holes; an award for the oldest fisherman present and the youngest; and many others.

Last year's derby, the first one to be held by the club, drew a crowd of about 1200 in weather so severe it was feared that few fishermen would brave the elements. Snow was already piled deep on the lake, and a heavy snow started falling the day of the event. Hundreds of men, women and children fished through the day despite the weather.

Club officials hope for better weather on Sunday, Jan. 13, than they had last year.

News of Lakesports

Mike Badame Rolls 714

Mike Badame, bowling with the Blumenschein team in the Friday night Majors at the Antioch Bowl, became eligible to join the coveted 700 Club when he poured in strikes to mark up a 714 series last Friday night.

Mike's three games were 244-234-236. Despite his big games, his team dropped two to Joe & Helen's.

Bob Platt, of Antioch Lumber, was second high scorer in the Majors, with a 657 series.

Injuries and bad backs seem to be plaguing the Major league the last few weeks. Chuck Moran was out for a week after a bad fall injured his leg. He was back this week, but slumped in his scoring the third game as the leg started to bother him. George Smith, league secretary, was out of competition with a bad back, and Roger Strattan, sixth man on the Gaa team, is out with the same complaint.

Earl Barnes rolled a big 686 game in the Chain O' Lakes Mixed League last

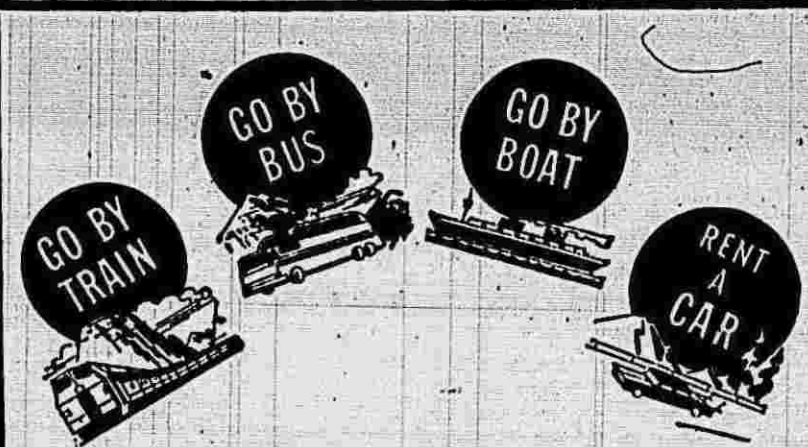

Wednesday, with games of 180-242 and 264. And E. Anderson, bowling in the Thursday Business Men's league, turned in a 671 series with games of 217-244-210.

Antioch's Mat Men are Second in Conference

Antioch's wrestlers have made an excellent record in the Northwest Suburban standings as of Dec. 19.

In the team standings, Antioch is tied for second with Lake Forest with Wauconda leading.

Individual standings of the boys, in the twelve weight classes listed, show Antioch wrestlers J. Burke and R. Gaston taking first place in their respective weights. Both boys are battling 1000—or would you say grappling 1000?—with Gaston winning four matches and losing none in the 145 lb. class, and J. Burke winning 5 and no

losses in the 165 lb. class. Lon Ipsen runs a close second to M. Strom of Grant in the heavyweight class. Strom shows 1000% scoring with only one match, which he won, and no losses. Ipsen rates 900% with four wins and one tie. Second in the 112 lb. class is R. Sheppard, 800%, with four wins and one loss. He is topped in his class by J. Grady of Grayslake, with four wins and no losses. However, Sheppard, like Ipsen, has wrestled more matches than the Grayslake boy.

In third place in the 120 lb. class is Antioch's D. Miller, with 4 wins and one loss;

in the 154 lb. class, Antioch's J. Bonner is third with one win and no losses.

Antioch's B. Brenna is in fourth place in the 127 lb. class, and R. Miller is ninth. R. Prossie is seventh in the 133 lb. class. L. Meglio is fourth in the 138 lb. class and D. White is seventh.

D. Feiler is fourth in the 145 lb. class. In the 154 lb. class, J. Sebesta is sixth and T. Furlan 10th, with R. Van Rooyen in 13th place.

S. Revell, in the 180-pounders, stands sixth. J. Sebesta (wrestling out of his weight class), is 10th and R. Fowles 11th.

Lindenhurst News

By Mrs. Bernice Bernau

Women's Club News

Mrs. Raymond (Dorothy) Verlick will be installed as president of the Lindenhurst Women's Club on Jan. 10, at 8 p.m. in the Civic Center. Other members to take office will be Nancy Kleffner, vice-president; Millie Caldwell, secretary; Dorothy Thompson, treasurer. Executive board members will be Carol Bogda, Zenia Neumann and Betty Ireland, the outgoing president.

Old business will be dispensed with and chairmen will be appointed for new projects. A social hour will follow. All women of the village are invited to attend.

Belated Birth Announcement

Just found out that Dag Jeffrey Juhlins was born to the Dale Juhlins of 1918 Hazelwood Drive on Nov. 14. He weighed an even 7 pounds when he was delivered at Victory Memorial Hospital. The Juhlins have another son, Dale Gregory, just one year old.

Hospital Patient

After spending some time in Victory Memorial Hospital recently, two year old Jimmy Crutchfield of 1818 Hazelwood, just returned home last Thursday from Children's Memorial Hospital in Chicago, where he was a patient for a week. The little fellow had various tests taken to determine what was troubling him. He is now home and under doctor's care.

Florida Vacation

Ted and Joan Ploutiez returned home Monday after traveling 3,400 miles going to Florida, in 16 days with their two daughters, Denise and Irene. Joan's mother, Mrs. Lillian Harrington of Chicago, accompanied them.

They stopped at Sarasota, Cape Canaveral, the Everglades, Daytona Beach, St. Augustine and many other places. Joan enjoyed going through Great Smoky National Park. Fruit that had been frost bitten was lying on the ground in Florida. The temperature hovered around 72 where they were staying.

VFW Thank You Note
Members of the VFW 4308 Post thank the residents of Lindenhurst and the area for purchasing Christmas trees from them this past season.

Sportsmen's Club
Ten couples from the Lindenhurst Sportsmen's Club visited each other's homes Dec. 20, to see their Christmas trees. The last stop was at the home of Tom and Lynn Hay, where they had their early New Year's party.

New Year's Eve Parties
Approximately 50 couples attended the party at the Lindenhurst Civic Center, sponsored by the Men's and Women's Clubs. Everyone that was there said they had a "ball."

About 12 couples from Lindenhurst went to the Channel Lake Inn where they, too, had a "ball."

Men's Club News
Doug Ploss took over as president of the Lindenhurst Men's Club Thursday evening after all the old business was shelled. The out-going officers Lyle Mercer, president; James Hartwig, vice president; Charles Schriber, secretary; Fred Zandier, treasurer; Milton Lazansky, sergeant-at-arms; and executive board members Ray Caldwell, Dominick DiSilvestro and Paul Wright were praised for the wonderful work they accomplished this past year. They paid off quite a sizeable sum on the mortgage of the Civic Center through projects they held during the year.

Other business discussed was putting up of a sign on the building saying "Lindenhurst Civic Center." Also a signboard in front of the building naming the various organizations that have access to the building. The First Baptist Church of Lindenhurst hold their services there, besides the Junior Po-

lice, Teen Club and the Children's Party.

Sunday afternoon the new officers, Milton Lazansky, vice-president; Bob Spieg, secretary; Bud Kleban, treasurer; Hank Pearce, sergeant at arms; Jack Thompson, Art Nelson and Lyle Mercer met with Doug Ploss to acquaint themselves with the functions of the Men's club.

Enlisted
Bill Brendel of 311 S. Thornwood Dr. left on Jan. 2 for Fort Knox, Kentucky, for his basic training in the army. He enlisted for three years. He signed up with SFC. Art Nelson left early in December. New Year's Day friends and relatives came out to see Bill before he left for service.

Notes From St. Mark's Lutheran Church

The Mary Martha Circle will meet at the home of Mrs. Herbert Bresemann Thursday afternoon at 1:00 o'clock. At 7:30 p.m. Thursday, the Miriam Circle will meet at Mrs. Harry Boal's home.

The Luther League will assemble Sunday evening at 7 p.m. for their program and social hour.

Notes From Prince of Peace Church

The Holy Name Society will receive Holy Communion Sunday at the 8 o'clock mass.

After Mass there will be a breakfast at Smart's Restaurant in Antioch. Captain Donald Kelly, U.S.N. will be the guest speaker. Father Kelly is chief of all chaplains at Great Lakes Training Center and is a veteran of 20 years in the armed forces.

St. Peter's Knights of Columbus will hold a Family Communion at Prince of Peace on Jan. 20, at the 8:00 o'clock mass.

Anniversary Party
Helen Mindak of 105 N. Hawthorne Drive, and her family, attended the surprise silver wedding anniversary

party of her sister, Mrs. Dick (Bernice) Malsstrom in McHenry, Sunday evening.

Anniversary
Congratulations to Dudley and Shirley Mertes of 2007 Old Elm Road on their fourteenth wedding anniversary, Jan. 8. They have five children, Kathy, Debbie, Timmy, Terry and Jeffrey.

Holiday Visitors
Mr. and Mrs. John Mollitor of Lake City, Iowa parents of Mrs. John Selzer of Valley Drive, spent the holidays in the Selzer home. They were here for two weeks and visited in the home of Allen Mollitor in Winnetka on both Sundays. Vis father was recently retired after 33 years with the Iowa State Highway Commission.

Engagement Announced
Mr. and Mrs. Hubert Rathke of 82 Laurel Drive announce the engagement of their daughter, Diane, to

Clarence, Michele of River Grove. The date for the wedding has been set for February 8.

The Rathkes have been residents of Lindenhurst for six years.

Visitors
Emert and Lola Roos and their children, Steven, Debra, Danny and Betty Jo visited Lorraine Lewis and other friends in Lindenhurst last Wednesday. They moved to Saginaw, Mich., about a year and a half ago. They visited with Chuck and Arlene Pawlowski in Wisconsin for about four days, during the holidays.

Home for the Holidays
Chief Milton Pulls was home for the Christmas holidays from Dam Neck, Virginia, where he is going to guided missile school. Milt left here August 1st after being at Great Lakes for about five years.

Hospital Patients
Hubert Bechtel is in Victory Memorial Hospital having x-rays and several tests to determine what made him ill last Thursday.

Tony Drago had a mild heart attack New Year's Day. He will be resting at home for the next couple of weeks.

Teen Club
Members of the Lindenhurst Teen Club at their last meeting voted to have a roller skating party Sunday afternoon. Those wanting transportation should be at the Civic Center at 1 p.m. Parents who are willing to drive, are asked to call Mrs. Fish at El. 6-5420.

Birthday
Birthday greetings to Brian Dean Dooley who was 2 on Dec. 31, Connie Sue Nauer, 3, on January 13, Mrs. Evelyn Lazansky who celebrated Jan. 11, Kelly Marie Gibbons who was just 1 on Jan. 8.

Heart Fund Drive Soon
Mr. Millard Grauer, Highland Park, chairman of Lake County Heart Fund announces the appointment of Mrs. John Wagner, Rt. 2, Box 107, as Antioch Heart Fund chairman, and Mrs. Leonard Roblin, 913 David Street, Antioch, as co-chairman.

In spearheading the 1963 Heart Fund drive, Mrs. Wagner will supervise the campaign for \$1,000.00. The campaign will take place in February and culminate on Heart Sunday, February 24, 1963, when volunteers will march door-to-door.

Commenting on her volunteer money-raising job, Mrs. Wagner said: "There is no question but that heart disease poses a problem that touches the lives of us all. For years diseases of the heart and blood vessels have caused over half of all deaths throughout the country."

"It was recognition of the tremendous scope of this problem that led to Heart Association and Heart Council work. The subsequent program depends on the voluntary giving of the public," said Mrs. Wagner. "Giving during the annual Heart Fund drive is the best way for people to express their

concern with the problems of heart disease. And contributors can be sure that their gifts, whether large or small, will benefit present and potential victims of heart disease."

Let Kids Play Outdoors In Cold Weather, Too

URBANA — Winter weather doesn't alter a preschooler's need for outdoor play, says Mrs. Millicent Martin, University of Illinois child development specialist. The child still needs the exercise for its physical and emotional benefits. Letting off steam in vigorous play helps to refresh him for indoor activities.

Of course, outdoor play in winter often calls for some adjustments. If there is no snow and ice on the ground, many activities that were suitable in the fall will still be possible. Children may then use such equipment as tricycles, wagons, toy footballs and other balls. If, however, there is snow or ice, they will enjoy such equipment as sleds, "saucers" or large empty cardboard cartons for sliding, double runner skates, child-sized skis, small shovels and brooms.

Whether or not there is snow, just walking is also a good activity.

Children usually initiate play easily if they have playmates. However, a child can have fun by himself, especially if adults encourage him. But, whatever he does, do not permit him to get chilled or over-tired, since that would cancel some of the benefits of the play.

To make the play as pleasant as possible, take or send the child outside in the warmest part of the day. Adjust the play periods to his endurance and temperament and to the temperature of the day. When temperatures are between 32 and 40 degrees, he will probably be able to stand outside play for about one hour. However, if the temperature is below 32 degrees, it's wise to limit his play to about 20 to 30 minutes.

home of Mr. and Mrs. Russell Nickerson.

Ronald Gable was a dinner guest Sunday at the home of Mr. and Mrs. Henry Jarvis.

Mrs. Pete Velkovich was a Chicago shopper Monday.

Theresa Velkovich returned to Marquette College, Milwaukee, Wis., after spending the holidays with her parents, Mr. and Mrs. Pete Velkovich.

The Lake Villa American Legion Auxiliary will hold its next regular meeting Thursday, Jan. 10, at 8 p.m. at the home of Mrs. Fred Bartlett, Sr.

Wilmot News

By Mrs. Herman Frank

W.S.C.S. of the Methodist church held their Christmas dinner at the church basement Thursday. The program consisted of a reading by Mrs. Eugene Tate and Mrs. McMann. Several Christmas carols were sung by the group. The collection from the dinner was turned over to the Southern Colony, Union Grove, Wis.

Westosha Business and Professional Women's club held its December meeting and annual Christmas party at the home of Mrs. Martin Schmitt Monday evening. Standing rules were approved by the membership during the brief business session. A volunteer committee assumed the task of distributing copies of an historical calendar published by the Independence Foundation, Inc., of Portland, Ind., to all the public and parochial grade schools in west Kenosha county. The calendars, purchased by the club, are presented to the schools as a project of the civic participation committee of Westosha B.P.W.

Choose clothing that the child can manage by himself as much as possible. Not only does this help teach children to be independent, but it decreases the frustrations of dressing and undressing.

Millburn News

By Mrs. Frank Edwards

Mr. and Mrs. Howard Petty of Urbana were weekend guests of Mr. and Mrs. Leslie Boner.

You have to see dangers to avoid them, warns the Chicago Motor Club. That's why all-around visibility is essential to safe driving. Make certain your windshield wipers and defroster are in perfect condition. And always clear snow or ice from the front, rear and side windows of your car before venturing out into traffic.

A 25-cent handmade gift exchange highlighted the social hour which concluded with carol singing by members and guests. Holiday refreshments were served by Miss Schmitt, Ruth Miller, Milton Radtitz and John Schmitt.

Wilmot High School vacation began Dec. 21, and classes will resume on Wednesday, Jan. 2. The annual, all-school Christmas party took place Friday evening. The program, including skits by the Spanish club and the speech department, and selections by the choral department, followed by dancing by Jimmy Meyer's orchestra.

There was no gift exchange this year. A half-hour program of Christmas music was presented at a general assembly on Wednesday this week when football letters were awarded.

NOTICE OF PUBLIC HEAR-
ING TO BE HELD BEFORE
THE LAKE COUNTY ZON-
ING BOARD OF APPEALS,
RELATIVE TO A COMPRE-
HENSIVE AMENDMENT OF
THE LAKE COUNTY ZON-
ING ORDINANCE OF 1939,
AS AMENDED, WHICH
AMENDMENT WILL A-
MONG OTHER THINGS, RE-
ZONE (RECLASSIFY) ALL
LANDS IN THE UNINCOR-
PORATED AREA OF AN-
TIOCH TOWNSHIP, LAKE
COUNTY, ILLINOIS.

NOTICE is hereby given
that a public hearing will be
held before the Lake County
Zoning Board of Appeals, to
consider a comprehensive
amendment of the Lake
County Zoning Ordinance of
1939, as amended. Said
public hearing will be held
on January 31, 1963, at 10:00
o'clock A. M., in the Legion
Hall, Ida Avenue, Antioch,
Illinois, and may be continued
from day to day if the need
therefor arises. All persons
interested may attend said
hearing and will be given an
opportunity to be heard.
Written communications re-
ceived by the Zoning Board
of Appeals before the con-
clusion of the hearing will
be read aloud at the hearing
and made a part of the re-
cord.

The proposed amendment
was drafted by the Lake
County Regional Planning
Commission and constitutes a
complete revision of the text
and maps of the Lake County
Zoning Ordinance of 1939, as
amended, and includes,
among other things, provi-
sions for the establishment
and creation of new regula-
tions, new use districts and
for the rezoning (reclassifi-
cation), of all lands in the
unincorporated area of Lake
County, Illinois, INCLUDING
THE UNINCORPORATED
AREA OF THE TOWN OF
ANTIOCH.

A public hearing on the
proposed amendment will be
held on Monday, January 14,
1963, at 9:30 o'clock A. M.,
in Room 305, Court House,
Waukegan, Illinois, accord-
ing to law. Further public
hearings on the proposed
amendment will be held be-
fore the Zoning Board of
Appeals in each of the Town-
ships in Lake County, Illinois,
having unincorporated lands.
A tentative schedule of the
time and place of said public
hearings is given below. Fur-
ther notice of said public
hearings in each of the said
Townships will be published
according to law.

After all Township hear-
ings have been completed, a
final public hearing will be
held before the Zoning Board
of Appeals, which meeting is
tentatively scheduled for
Wednesday, February 13,
1963, at 9:30 o'clock A. M.,
in Room 305, Court House,
Waukegan, Illinois. Notice of
said hearing will be published
according to law.

The proposed comprehen-
sive amendment to the Lake

County Zoning Ordinance is
available for examination in
the office of the County
Clerk of Lake County, Room
202, Court House, Waukegan,
Illinois; the Office of the
Department of Building and
Zoning, Court House, Wauke-
gan, Illinois; the Office of the
Lake County Regional
Planning Commission, 228
North Genesee Street, Wau-
kegan, Illinois; and in each
Town Hall and in the office
of the Supervisor of each of
the Townships in Lake Coun-
ty, Illinois, including the
Town Hall of the Town of
Antioch, located at Village
Hall, Antioch, Illinois.

All persons interested may
attend any of the herein-
mentioned public hearings
and will be given an oppor-
tunity to be heard. Written
communications received by
the Zoning Board of Appeals
before the conclusion of the
hearing will be read aloud at
the hearing and made a part
of the record.
